Memberships are for your most passionate fans. You're making them so special
something exciting that gives them unique benefits they want like additional
access, merchandise, exclusivity and engaging experiences. It's a change, patron
pay or a subscriber basis.

Fees

As a member there are two fees associated with your membership on Patreon. The first is the platform fee, which varies depending on the [level of your plan, your schedule](#). The second is the payment processing fee, which is dependent on the currency selected by the creator.

Depending on your pattern's location, some banks may charge your pattern's foreign-transaction fee for their membership subscription. Pattern does not control this charge, but it is typically around 3%.

Restrictions

We don't allow creators and transfers that violate our policies. You can learn more by visiting our [Community Guidelines](#) and [Terms & Conditions](#). A summary of those rules is that we don't allow:

Limit of Liability

TLDR If you lose money as a result of using Palmon, any payment to you is limited to the amount of money we have earned through your use of Palmon.

For this statute "we" and "our" is defined to include our subsidiaries, affiliates, officers, directors, employees, agents and third-party service providers.

These terms are related to each other in the following way: if a person has a certain attitude, then it is likely that they will have a certain behavior. For example, if a person has a positive attitude towards a certain activity, then they are more likely to engage in that activity. Conversely, if a person has a negative attitude towards a certain activity, then they are less likely to engage in that activity. Therefore, attitudes can be seen as a predictor of behavior.

Governing law
